STUDENT TRAVEL REQUEST FORM

This form is to be completed if a high school student would like to travel with/without his/her host family. Travel arrangements are NOT to be finalized until the form is signed by the Local Coordinator and returned to the student. This form is to be included with the official signed DS2019 (not a copy) for travel outside of the United States; failure to do so may result in disciplinary action. NWS is not responsible for any financial losses incurred. Students may not travel without their host family during major family holidays or when it conflicts with other host family commitments. Although it is a violation of the Student Visa to miss school, exceptions will be considered on a case-by-case basis. Travel will be considered on the basis of its educational value, your academic and behavioral record, and your participation with your host family. Travel requests must be submitted to the local coordinator a minimum of two weeks prior to the requested departure date. Please read and complete the entire form. All necessary signatures must be included for travel requests to be completed. **In addition to this form please be sure to check with the embassy or consulate of the country or countries you are visiting to confirm visa requirements.**
